While Mr. Simpson was speaking, the Register representative at the reporters' table held a whispered consultation with the Sccretary, and Mr. Robertson announced that a mistake had been made in the count. Mr. Farrell had received over 1,000 votes instead of 710; Mr. Simpson therefore did not have a majority. Mr. I. F. Jones moved that Colonel White be nominated by acclamation, and his motion prevailed, amid applause.

Col. White said he felt the high honor conferred upon him, but other interests made him hesitate. If it was satisfaction to allow the matter to stand, he would promise to accept if hereafter he could see his way clear. If not, no doubt a more worthy man could be found. It was allowed to stand thus.

Mr. C. H. Stoetzer nominated Charles H. Copp, but Mr. Naylor said Mr. Copp had asked him to state to the conventation that he could not accept.

Tea Importers & Coffee Roasters.

Our new roasting department is now completely fitted up with the latest improved machinery for roasting and cleaning coffee. Our aim has ever been to have the best regardless of cost. This in a measure, explains our success. Coffee roasting, like other industries, in the past few years has undergone many changes, each succeeding one aiming to correct or overcome some defect of the past. We feel confident we have secured the best, and as we roast only the best grades of Coffees, roast only for our own stores, use no poisonous mixtures to glaze and cover defective grains, we can justly claim our Coffees far superior to the adulterated mixtures so generally sold.

TEAS.

Our stock of Teas embrace every grade and variety, every pound of which we guarantee to be now 'crop, antural leaf and strictly pure. Our medium grades will be found superior to those sold as best by your local grocer.

CLUB ORDERS. To families living out of the city will pay freight on all orders amounting to \$10 and upwards to any railway sta-tion 200 miles from any of our stores.
